Entech Named One of the Top Third North American Technology Providers on the Fast Growth 150 List

Fort Myers, FL Aug. 7, 2017– Entech (www.EntechUS.com, @EntechUS)—an IT managed service provider (MSP) with offices in Fort Myers, Bradenton and Naples—announced today that CRN®, a brand of The Channel Company, has named Entech to its 2017 Fast Growth 150 list. Entech, which provides services along Florida's Gulf Coast from Tampa to Naples (as well as nationwide), has earned a spot at #49 out of 150 companies. Entech is the only MSP on the list south of Tampa, covering the Gulf Coast.

"Entech is honored to be placed on the Fast Growth list once again," said Jake Spanberger, Entech's president. "Earning a spot in the top 50 of this list shows that our talented staff continues to do great things for our loyal clients. It also shows that the Florida's Gulf Coast is a great place for businesses to thrive."

"The companies on CRN's 2017 Fast Growth 150 list are thriving in what is now a very tumultuous, demanding IT channel climate," said Robert Faletra, CEO of The Channel Company. "This remarkable group of solution providers has successfully adapted to a landmark industry shift away from the traditional VAR business model to a more services-driven approach, outpacing competitors and emerging as true channel leaders. We congratulate each of the Fast Growth 150 honorees and look forward to their continued success."

Entech has placed on CRN's Next Gen 250 lists in 2011, 2013 and 2014; the Fast Growth 150 list in 2016 and 2017; and the Pioneer 250 list in 2016 and 2017.

About the CRN List

CRN's Fast Growth list is an annual ranking of North American-based technology integrators, solution providers and IT consultants with gross sales of at least $1 million that have experienced significant economic growth over the past two years. The 2017 list is based on gains in gross revenue between 2014 and 2016 and the companies recognized represent a total, combined revenue of more than $16,717,688,643, according to The Channel Company.
